

THE MOST HAPPY FELLOWS

1977 INTERNATIONAL CHAMPIONS

Barbershop Harmony Society

One of the best loved and most entertaining quartet champions ever to come out of the Barbershop Harmony Society, the "HAPS" have performed world-wide for many, many years. Their rich sound and heart-warming performances, delivered with their own special brand of humor and nostalgia, always endear the HAPS to their audiences.

Over the years the HAPS have clearly shown their durability. They are still entertaining audiences around the world and ... with fresh appeal. Matt Rice is delighted to be singing Bass with the Haps once again and, with the three originals, Larry Hassler (Lead), Bob Hodge (Tenor) and Jack Lyon (Baritone), they continue to enjoy fresh excitement as the quality of their music has become even richer with the years. Matt's resonant bass lays a solid foundation for all the HAPS' songs and show packages, as he brings back his unique musicality to the traditional and great new arrangements in the quartet's ever expanding repertoire.

Yes, the HAPS are *MORE ALIVE THAN EVER* and are delighted to be here to share their love with you through their special kind of Barbershop Harmony.

...Enjoy !!!
